MUSIC FOR THE WEDDING

The music at your wedding service will contribute significantly to the mood of this special occasion, and serves to express the joy and dignity of the sacred side of your wedding celebration. For this reason, some music may be less suitable in the service, but will work well at the reception afterwards.

To assist in the selection of your wedding music, some suggestions have been provided on the following pages. Of course, there are centuries of wonderful music to choose from!

St Mary's provides a very high standard of music under the leadership of our dynamic husband and wife team - internationally acclaimed organist Christopher Wrench, and eminent choir director, Emily Cox. Christopher is available most Sunday's following the 9.00 am service to assist you in selecting the music for your wedding at St Mary's. Please contact him (details below) in advance to arrange a meeting.

Musical Instruments

St Mary's is the proud custodian of Queensland's oldest pipe organ, built in London in 1823. While we await the funding of a major refurbishment of this instrument, we are using a state-of-the-art Allen digital organ. This instrument, as well as St Mary's excellent Grand Piano can provide all the music required at your wedding. Some couples choose to complement this by engaging a vocalist, instrumentalist, choir, or small string ensemble. You may have family or friends who would like to contribute to your music - all this is possible at St Mary's.

Copyright & Cd's

Please note that our "live music policy" excludes the playing of **CDs**. Copyright permission and acknowledgment is required for the printing of hymn texts. Copyright laws require that permission be obtained from musicians prior to making an audio or video recording of the ceremony. There is a space to request this on the 'Wedding Music Selection Sheet'.

Wedding Music Selection Sheet

After considering the information outlined in this booklet, please forward the accompanying WEDDING MUSIC SELECTION SHEET to the **Director of Music** one month prior to the wedding.

Before the Ceremony

The organist will play music for about 10 minutes before the service as guests enter the church. This music continues until the arrival of the Bridal Party. In order to accommodate variable time factors, the organist will choose the music for the Organ Prelude. You are welcome to make special requests if you wish.

The following suggestions are easily adapted to the relatively short time required for the bridal party to walk down St Mary's aisle. HYMNS at your wedding

Before deciding to have hymns at your wedding, you need to be confident that your guests are going to join in singing - there is nothing worse than a community activity in which nobody participates, leaving the celebrant and organist performing a solo! One way to ensure great hymn singing (therefore an activity everyone can take part in) is to engage the Choir.

If in doubt, there are some popular tunes which almost everybody knows, such as the 'Morning has Broken' or 'Ode to joy'. Hymn texts which work together with these tunes are indicated below. The words of the hymns need to be printed in the Order of Service.

If you chose to have St Mary's Choir, this will definitely help the singing!

Choir PSALMS

If you have chosen the option of having the CHOIR at your wedding, we suggest that you consider having a Psalm sung between the readings. St Mary's Choir is well known for its beautiful singing of the Psalms on Sunday mornings - having a psalm could add a special touch to your wedding service.

PSALMS suitable for weddings

67	O God be gracious to us and bless us
128	Blessed is everyone who fears the Lord
121	I lift up my eyes to the hills
37 (3-7)	Trust in the Lord and do good
100	O shout to the loud in triumph, all the earth
