**SEATING CAPACITY
of St Marys Church for weddings**

The four rows of timber pews in St Marys church can be seen in some of the photographs on this website.

There are two middle rows of pews adjacent the central aisle, and two smaller side rows of pews against the sides of the nave.

As well as the main aisle from the western front door through to the chancel area, there are two side aisles accessing both the main pews and the smaller rows of pews.

The domestic scale of the church provides a clear view of a wedding ceremony, and ease of hearing is obtainable at all locations in the pews.

Seating capacity is:-

- total number of pews 56
- number of middle row pews 30 in 2 rows of 15 seating 5 -6 persons each
- number of side pews 26 in 2 rows of 13, seating 2-3 persons each
- total seating 200 persons in comfort, up to 230 if tight.
